

Best M.O.M.® Ever.

Freestyle M.O.M. Version 10

Here are the newest features exclusive to M.O.M. 10, the most versatile and secure M.O.M. to date:

GROW Your Business

- **Omnichannel Support** means a **seamless shopping experience for your customers** whether they're browsing on smartphones or visiting your brick-and-mortar store. Now they can order products online and pick up in-store, order online and return to store, and even order in-store and ship anywhere!
- **Leading Marketplace Integrations** such as **Rakuten** allows you to reach a broader audience of shoppers.

SECURE Your Business

- **Certified PA-DSS 3.1, Level 1 compliance** makes Version 10 the M.O.M. your business needs to stay safe, secure, and current.

MOBILIZE Your Business

- **Mobile Executive Dashboard** to access business analytics from anywhere using a mobile device.

OPTIMIZE Your Business

- **Configurable Batch Processing** to save time with repetitive but vital tasks.
- **Improved Purchasing Flow** makes the purchasing process faster and more intuitive.
- **Amazon Merchant Fulfilled Prime Support** allows qualified merchants to prioritize and manage Prime orders from within M.O.M.
- **Amazon Standard Shipping Options** make Amazon's latest shipping methods available to use.
